

Membership Renewal on the new online ACTA System

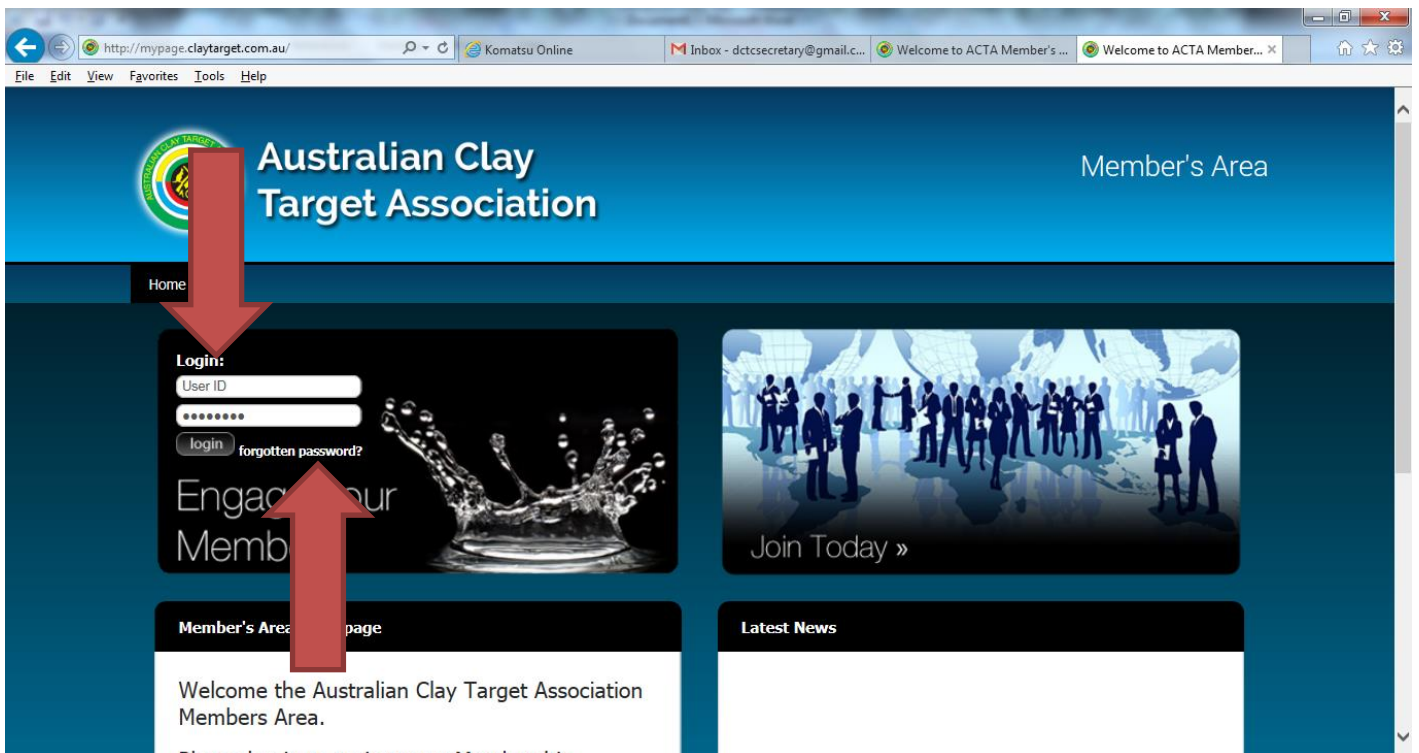

This is a quick and easy way to renew membership, check details, etc

Step 1:

Go to <http://mypage.claytarget.com.au/>

Type in your member number (this will be on your book) into the “User ID” Section.

Then Press the “forgotten password?” button

Step 2:

This will now bring up a box to enter your email address. This email address must already be logged with ACTA. If you don't have an email address with them, please contact ACTA by emailing

admin@claytarget.com.au

Step 3:

If your email is logged with them, they will send you your password. This password may be changed once you have logged into the site.

Once logged on, the site is pretty self-explanatory.
