HOW DO I TRY CLAY TARGET SHOOTING

The DCTC provides a safe family friendly atmosphere to try clay target shooting as a sport. The club has the facilities, club firearms and qualified coaches to make your journey into the shooting sports and enjoyable experience. Whether you're a complete novice or simply looking to improve your skills we can provide you the guidance and tuition to help you along.

WHAT DO I NEED TO BRING?

As you can appreciate our sport is all about fun and SAFETY. To come along and try the sport you will need:

- 1 . Closed in Footwear.
- 2 . Hear Protection (Ear Plugs available from club office).
- 3 . Eye Protection (Recommended).
- 4 . A sense of fun.

WHO CAN TRY?

Anyone, who had had their 12th birthday, has not had a Domestic Violence Order within the last 5 years and is of suitable physical stature to safely manage the firearm.

WHAT ABOUT RECOIL?

All firearms create recoil; this can vary from very mild to very extreme. The typical recoil from a 12Gauge shotgun is easily managed through correct stance, gun mount and gun fit. Club coaches will work with you to minimise recoil effects.

WHEN DO I ATTEND AND WHERE?

The DCTC hosts new shooters every Wednesday even from 5:00pm until sunset. The club has scheduled club competitions every second weekend as per club programme (available on club website). Not sure you want to try just yet? Spectators are always welcomed and encouraged.

SHOOT SAFELY - HAVE FUN
